

# CURRICULUM VITAE

January 1, 2007

Alan Feingold  
Oregon Social Learning Center  
10 Shelton McMurphey Boulevard  
Eugene, OR 97401

**Phone:** 541-485-2711

**Email:** alanf@oslc.org, alan.feingold@yale.edu

## EDUCATION

1992 Ph.D., Social/Personality Psychology, Yale University

1991 M.Phil., Social/Personality Psychology, Yale University

1985 Ed.M., Human Development, Harvard University

1979 B.A., Psychology, Brooklyn College

## PROFESSIONAL EXPERIENCE

### Research Appointments

2006-DATE Staff Affiliate in Psychiatry, Yale University

2006-DATE Research Associate, Oregon Social Learning Center, Eugene, Oregon

2001-DATE Biostatistical Consultant, Yale University, Dept. of Psychiatry

1993-2001 Associate Research Scientist (Biostatistician), Yale University, Dept. of Psychiatry

1993 Consultant, research design, substance abuse and vocational rehabilitation, City University of New York

1993 Instructor of Clinical Psychology, Columbia University, Dept. of Psychiatry

1992-1993 Research Associate (Biostatistician), Center on Addiction and Substance Abuse at Columbia University

1992 Statistical Consultant, Yale University, Department of Psychiatry

- 1988 Research Associate, NCJW Center for the Child, NY  
 1982-1983 Research Assistant, Manhattan Alcoholism Treatment Center, NY

### **Teaching**

- 2001-2003 SPSS lectures, Yale University, Dept. of Psychiatry  
 1995-1998 "Practical Statistics for Substance Abuse Research," Yale University, Dept. of Psychiatry  
 1995-1998 "Advanced Seminar on Data Analysis," Yale University, Dept. of Psychiatry  
 1990 Teaching Assistant, social psychology and adolescence, Yale College  
 1986 Teaching Assistant, research methods, Yale College

### **Committee Work**

- 1993 Co-Chair, Research Subcommittee, New York State Task Force on Acquired Physical Disability and Chemical Dependency, New York State Office of Alcoholism and Substance Abuse Services

### **Awards and Honors**

- 1995 Lindzey Dissertation Award, American Psychological Association, Division 1  
 1975 New York State Regents Scholarship

### **Statistical Skills**

Analysis of variance, multiple regression, analysis of covariance, multivariate analysis (MANOVA, MANCOVA, discriminant analysis, canonical correlation, factor analysis, cluster analysis), meta-analysis, confirmatory factor analysis and structural equation modeling, categorical analysis, logistic regression, hierarchical linear models, survival analysis

### **Editorial Activities**

*Consulting editor:* Psychological Bulletin (1993-1996)

*Ad hoc reviewer:* Addiction, Journal of Abnormal Psychology, Psychological Medicine, Behavior Research and Therapy, American Journal of Family Therapy, Psychological Bulletin, Journal of Personality and Social Psychology, Journal of Experimental Social Psychology, Behavioral and Brain Sciences, Journal of Personality, Personality and Social Psychology Bulletin, Basic and Applied Social Psychology, Journal of Educational Psychology, Learning and Instruction, Sex

Roles, National Science Foundation, Journal of Applied Psychology, Psychological Reports, Perceptual and Motor Skills, Memory & Cognition

## **Publications**

- Feingold, A. (1981). Testing equity as an explanation for romantic couples "mismatched" on physical attractiveness. *Psychological Reports*, 49, 247-250.
- Feingold, A. (1982). The validity of the Information and Vocabulary subtests of the WAIS using self-ratings of intelligence as criteria. *Perceptual and Motor Skills*, 55, 754.
- Feingold, A. (1982). The validity of the Information and Vocabulary subtests of the WAIS. *Journal of Clinical Psychology*, 38, 369-374.
- Feingold, A. (1982). Physical attractiveness and romantic involvement. *Psychological Reports*, 50, 802.
- Feingold, A. (1982). Physical attractiveness and intelligence. *Journal of Social Psychology*, 119, 283-284.
- Feingold, A. (1982). Measuring humor: A pilot study. *Perceptual and Motor Skills*, 54, 986.
- Feingold, A. (1982). Do taller men have prettier girlfriends? *Psychological Reports*, 50, 810.
- Feingold, A. (1982). Attractiveness of tall men. *Medical Aspects of Human Sexuality*, 16, 179.
- Panitz, D. R., McConchie, R. D., Feingold, A., & Hennecke, L. (1983). Differences between employed and unemployed alcoholics in trouble for drinking and denial. *Perceptual and Motor Skills*, 57, 643-646.
- Panitz, D. R., & Feingold, A. (1983). Validity of the Revised Beta Examination and a short-form Beta for hospitalized alcoholics. *Psychological Reports*, 53, 751-756.
- Feingold, A. (1983). The validity of the Information and Vocabulary subtests of the WAIS for predicting college achievement. *Educational and Psychological Measurement*, 43, 1127-1131.
- Feingold, A. (1983). Measuring humor: Revision and construct validation of the Humor Perceptiveness Test. *Perceptual and Motor Skills*, 56, 159-166.
- Feingold, A. (1983). Happiness, unselfishness, and popularity. *Journal of Psychology*, 115, 3-5.
- Feingold, A. (1983). Extracting maximum validity from the WAIS. *Journal of Clinical Psychology*, 38, 994-997.
- Feingold, A. (1983). Correlates of public speaking attitude. *Journal of Social Psychology*, 120, 285-

286.

- Panitz, D. R., & Feingold, A. (1984). On the internal consistency of the Beta II. *Psychological Reports*, 54, 755-758.
- Panitz, D. R., & Feingold, A. (1984). Validity of the Beta II for alcoholics. *Psychological Reports*, 55, 754.
- Feingold, A. (1984). The reliability of score differences on the WAIS, WISC-R, and WAIS-R. *Journal of Clinical Psychology*, 40, 1080-1083.
- Feingold, A. (1984). The happiness/altruism connection. *Medical Aspects of Human Sexuality*, 18, 115-116.
- Feingold, A. (1984). The effects of differential age adjustment between WAIS and WAIS-R on the comparability of the two scales. *Educational and Psychological Measurement*, 44, 569-573.
- Feingold, A. (1984). Correlates of physical attractiveness among college students. *Journal of Social Psychology*, 122, 139-140.
- Feingold, A. (1985). Wechsler Adult Intelligence Scale-Revised IQ equivalents of Wechsler Intelligence Scale for Children-Revised scores for adults. *Perceptual and Motor Skills*, 61, 189-190.
- Feingold, A. (1985). Reliability of score differences on the Wechsler Preschool and Primary Scale of Intelligence. *Psychological Reports*, 57, 663-664.
- Feingold, A. (1988). Matching for attractiveness in romantic partners and same-sex friends: A meta-analysis and theoretical critique. *Psychological Bulletin*, 104, 226-235.
- Feingold, A. (1988). Cognitive gender differences are disappearing. *American Psychologist*, 43, 95-103.
- Feingold, A. (1989). Assessment of journals in social science psychology. *American Psychologist*, 44, 961-964.
- Feingold, A. (1990). Gender differences in effects of physical attractiveness on romantic attraction: A comparison across five research paradigms. *Journal of Personality and Social Psychology*, 59, 981-993.
- Feingold, A., & Mazzella, R. (1991). Psychometric intelligence and verbal humor ability. *Personality and Individual Differences*, 12, 427-435.
- Feingold, A. (1991). Sex differences in the effects of similarity and physical attractiveness on opposite-sex attraction. *Basic and Applied Social Psychology*, 12, 357-367.

- Feingold, A. (1992). The greater male variability hypothesis: Science versus politics. *Review of Educational Research*, 62, 89-90.
- Feingold, A. (1992). Sex differences in variability in intellectual abilities: A new look at an old controversy. *Review of Educational Research*, 62, 61-84.
- Feingold, A. (1992). Good-looking people are not what we think. *Psychological Bulletin*, 111, 304-341.
- Feingold, A. (1992). Gender differences in mate selection preferences: A test of the parental investment model. *Psychological Bulletin*, 112, 125-139.
- Feingold, A. (1992). Cumulation of variance ratios. *Review of Educational Research*, 62, 433-434.
- Feingold, A., & Mazzella, R. (1993). Preliminary validation of a multidimensional model of wittiness. *Journal of Personality*, 61, 439-456.
- Feingold, A. (1993). Joint effects of gender differences in central tendency and gender differences in variability. *Review of Educational Research*, 63, 106-109.
- Feingold, A. (1993). Cognitive gender differences: A developmental perspective. *Sex Roles*, 29, 91-112.
- Mazzella, R., & Feingold, A. (1994). The effects of physical attractiveness, race, socioeconomic status, and gender of defendants and victims on judgments of mock jurors: A meta-analysis. *Journal of Applied Social Psychology*, 24, 1315-1344.
- Feingold, A. (1994). Gender differences in variability in intellectual abilities: A cross-cultural perspective. *Sex Roles*, 30, 81-92.
- Feingold, A. (1994). Gender differences in personality: A meta-analysis. *Psychological Bulletin*, 116, 429-456.
- Feingold, A., & Rounsaville, B. J. (1995). Construct validity of the dependence syndrome as measured by DSM-IV for different psychoactive substances. *Addiction*, 90, 1661-1669.
- Feingold, A., & Rounsaville, B. J. (1995). Construct validity of the abuse-dependence distinction as measured by DSM-IV diagnostic criteria for different psychoactive substances. *Drug and Alcohol Dependence*, 39, 99-109.
- Feingold, A. (1995). The additive effects of differences in central tendency and variability are important in comparisons between groups. *American Psychologist*, 50, 5-13.
- Feingold, A. (1995). [Review of Physical appearance and gender: Sociobiological and sociocultural perspectives]. *Archives of Sexual Behavior*, 24, 580-581.

- Feingold, A., Ball, S. A., Kranzler, H. R., & Rounsaville, B. J. (1996). Generalizability of the Type A/Type B distinction across different psychoactive substances. *American Journal of Drug and Alcohol Abuse*, 22, 449-462.
- Feingold, A. (1996). Cognitive gender differences: Where are they, and why are they there? *Learning and Individual Differences*, 8, 25-32.
- Feingold, A. (1996). On an evolutionary model of sex differences in mathematics: Do the data support the theory? *Behavioral and Brain Sciences*, 18, 252.
- Feingold, A., & Mazzella, R. (1998). Gender differences in body image are increasing. *Psychological Science*, 9, 32-37.
- Feingold, A. (1998). Gender stereotyping for sociability, dominance, character, and mental health: Meta-analysis of research with the bogus stranger paradigm. *Genetic, General, and Social Psychology Monographs*, 124, 253-270
- Oliveto, A. H., Feingold, A., Schottenfeld, R., Jatlow, P., & Kosten, T. R. (1999). Desipramine in opioid dependent cocaine users maintained on buprenorphine vs. methadone. *Archives of General Psychiatry*, 56, 812-820.
- George, T. P., Zeidonis, D.M., Feingold, A., Pepper, W.T. Satterburg, C.A., Winkel, J., Rounsaville, B.J., & Kosten, T.R. (2000). Nicotine transdermal patch and atypical antipsychotic medications for smoking cessation in schizophrenia. *American Journal of Psychiatry*, 157, 11, 1835-1842.
- Kosten, T. R., Oliveto, A., Sevarino, K.A., Gonsai, K., & Feingold, A. (2002). Ketaconazole increases opioid use in methadone maintained patients. *Drug and Alcohol Dependence*, 66, 173-180.
- Feingold, A., Oliveto, A., Schottenfeld, R., & Kosten, T. R. (2002). Utility of crossover designs in clinical trials: Efficacy of desipramine vs. placebo in opioid-dependent cocaine abusers. *American Journal of Addictions*, 11, 111-123.
- George, T. P., Vessicchio, J.C., Termine, A., Bregartner, T.A., Feingold, A., Rounsaville, B.J., & Kosten, T.R. (2002). A placebo-controlled study of bupropion for smoking cessation in schizophrenia. *Biological Psychiatry*, 52, 53-61.
- Boutros, N. N., Gueorguieva, R., Hoffman, R. E., Oren, D. A., Feingold A., & Berman, R. M. (2002). Lack of a therapeutic effect of a 2-week sub-threshold transcranial magnetic stimulation course for treatment-resistant depression. *Psychiatry Research*, 113, 245-54.
- Oliveto, A., Sevarino, K., McCance-Katz, E., Feingold, A. (2002). Butorphanol and nalbuphine in opioid-dependent humans under a naloxone discrimination procedure. *Pharmacology and Biochemical Behavior*, 71, 85-96.
- Gonzalez, G., Feingold, A., Oliveto, A., Gonsai, K., & Kosten, T.R. (2003). Comorbid major

depressive disorder as a prognostic factor in cocaine-abusing buprenorphine-maintained patients treated with desipramine and contingency management. *American Journal of Drug Alcohol Abuse*, 2003, 29, 497-514.

Oliveto, A., Benios, T., Gonsai, K., Feingold, A., Poling, J., & Kosten, T.R. (2003). D-cycloserine-Naloxone interactions in opioid-dependent humans under a novel-response naloxone discrimination procedure. *Experimental and Clinical Psychopharmacology*, 11, 237-46.

Kosten, T., Oliveto, A., Feingold, A., Poling, J., Sevarino, K., McCance-Katz, E., Stine, S., Gonzalez, G., & Gonsai K. (2003). Desipramine and contingency management for cocaine and opiate dependence in buprenorphine maintained patients. *Drug and Alcohol Dependence*, 70, 315-25.

Oliveto, A., Sevarino, K., McCance-Katz, E., Benios, T., Poling, J., & Feingold, A. (2003). Clonidine and yohimbine in opioid-dependent humans responding under a naloxone novel-response discrimination procedure. *Behavioral Pharmacology*, 14, 97-109.

Kosten, T., Falcioni, J., Oliveto, A., & Feingold, A. (2004). Depression predicts higher rates of heroin use on desipramine with buprenorphine than with methadone. *American Journal on Addictions*. 2004, 13, 191-201.

Boutros, N.N., Korzyuko, O., Oliwa, G., Feingold, A., Campbell, D., McClain-Furmanski, D., Struve, F., & Jansen BH. (2004). Morphological and latency abnormalities of the mid-latency auditory evoked responses in schizophrenia: a preliminary report. *Schizophrenia Research*. 70, 303-13.

Boutros, N.N., Korzyukov, O., Jansen, B., Feingold, A., & Bell, M. (2004). Sensory gating deficits during the mid-latency phase of information processing in medicated schizophrenia patients. *Psychiatry Research*, 126, 203-15.

Boutros, N.N., Fraenkel, L., & Feingold, A. (2005). A four-step approach for developing diagnostic tests in psychiatry: EEG in ADHD as a test-case. *Journal of Neuropsychiatry and Clinical Neurosciences*, 17, 455-464.

Roberts, A., Cash, T. F., Feingold, A., & Johnson, B. T. (2006). Are Black-White differences in females' body dissatisfaction decreasing? A meta-analytic review. *Journal of Consulting and Clinical Psychology*, 74, 1121-1131.
