

**CURRICULUM VITAE**  
**PHILIP A. FISHER, PHD**

**EDUCATION**

Bachelor of Arts, Bowdoin College, Brunswick, ME, 1986 (magna cum laude; honors in Psychology)  
Master of Science in Clinical Psychology, University of Oregon, Eugene, 1990  
Doctor of Philosophy in Clinical Psychology University of Oregon, 1993  
Postdoctoral Fellow, University of Washington, Seattle, Department of Psychiatry & Behavioral Sciences, 1994–1995

**RESEARCH GRANTS AND AWARDS**

*Scholarship Award for Research Excellence*, Western Psychological Association, 1991  
*National Research Service Award*, NIMH/U.S. Public Health Service, 1991–1993  
*University Laurel Scholarship*, University of Oregon, 1992–1993  
*Co-Investigator*, Process of Fathering—Effects on his Child’s Competence (HD019739), 1995–1998  
*Principal Investigator*, Early Intervention Foster Care (MH056932), 1997–1998  
*Co-Investigator*, The Origins of Mental Health Problems in the Family (MH037911), 1997–2002  
*Principal Investigator*, Process of Fathering—Effects on His Child’s Competence (HD019739), 1998–2001  
*Principal Investigator*, Early Intervention Foster Care: An Efficacy Trial (MH059780), 1999–2004  
*Principal Investigator*, Indian Wellness Preventive Intervention Project (DA012231), 1999–2004  
*Co-Investigator*, Internet-based interventions for youth disorders (MH061422), 2000–2005  
*Co-Investigator*, Oregon Prevention Research Center Grant (MH046690), 2000–2005  
*Co-Investigator & Administrative Director*, Early Experience, Stress Neurobiology, & Prevention Science (also Principal Investigator on subcontract, MH065046), 2001–present  
*Co-Investigator*, 5 Tribes Behavioral Health Consortium Tribal Epidemiology Program (1 U26 94 00016), 2002–2004  
*Co-Investigator*, Improving Care for Children in Child Welfare: Child and Adolescent Interdisciplinary Research Network (subcontract, MH067377), 2002–  
*Co-Investigator*, Pathways Home: Reducing Risk in the Child Welfare System (also Co-Investigator on subcontract, DA017592), 2003–present  
*Co-Investigator*, Community Development Teams to Scale-Up MTFC in California (MH076158), 2005–present  
*Principal Investigator*, Dimensions of Early Stress and Child Welfare Involvement (HD045894), 2005–present  
*Principal Investigator*, EIFC: Outcomes through Middle Childhood (also Principal Investigator on subcontract, MH059780), 2005–present  
*Principal Investigator*, KITS: School Readiness in Foster Care Efficacy Trial (DA021424), 2005–present

## **PROFESSIONAL EXPERIENCE**

*Clinical Team Supervisor, Program Coordinator, & Clinical Team Member, Wediko Children's Services Residential Treatment Program, Boston, MA, summers 1981–1988*

*Head Teacher/Supervisor, United South End Settlements Enrichment Youth Services Program, Boston, MA, 1987–1988*

*Research Assistant, Harvard Medical School & Massachusetts Mental Health Center, Boston, 1988*

*Research Fellow, U.S. Army Research Institute for the Behavioral & Social Sciences/Consortium of Universities, Washington, DC, 1988–1989*

*Research Associate, Oregon Social Learning Center, Specialized Foster Care Programs, Eugene, 1989–1993*

*Methodologist, Oregon Social Learning Center, Eugene, 1990–1993*

*Clinical Psychology Intern, Portland VA Medical Center, Portland, OR, 1993–1994*

*Child & Family Therapist & Psychology Resident, University of Washington & Children's Hospital & Medical Center, Seattle, WA, 1994–1995*

*Methodologist, Child & Infant Development Project & Preschool Families Project (PI: Matthew Speltz), University of Washington School of Medicine, Department of Child Psychiatry, Seattle, 1994–1995*

*Methodologist, Colville Confederated Tribes Adolescent Mental Health Study, Colville Indian Reservation, WA, 1995–1997*

*Research Scientist, Oregon Social Learning Center, 1995–present*

*Early Intervention Treatment Foster Care Program Director, Oregon Social Learning Center, 1995–present*

*Native American Research Team Co-Director, Oregon Social Learning Center, 1995–2002*

*Licensed Psychologist (#1240), State of Oregon, 1996*

*Clinical Director, Wyoming Attention Camp Project, Cheyenne, summers 1997–2000*

*Adjunct Faculty, University of Oregon, Eugene, 1998–present; University of South Florida, Tampa, 2003–present*

*Courtesy Research Associate, University of Oregon, 1999–present*

*Network Member, Early Experiences & Glucocorticoids Network, National Institute of Mental Health, 1999–present*

*Ad Hoc Reviewer & Special Emphasis Panel Reviewer, CHLP (was SNEM-1), CSR, NIH (with NIH, NIDA, and NIMH special emphasis panels) 2000–2006*

*Ad Hoc Reviewer, PDRP, NICHD-DSR-M, RPHB-2, HOPT, IES, 2006–present*

*NIDA Native American Scholars & Researchers Workgroup Member, 2000–present*

*Co-Director, Northwest Indian Prevention and Intervention Research Center, 2001–present*

*Associate Director, Oregon Social Learning Center, 2002–2005*

*Senior Scientist, Center for Research to Practice, 2002–present*

*Research Scientist, Oregon Social Learning Center, 2002–present*

*Board Member, Center for Research to Practice, 2005–present*

## **PROFESSIONAL MEMBERSHIPS**

American Association for the Advancement of Science

American Psychological Association

International Society for Developmental Psychobiology

New York Academy of Sciences  
Society for Community Research and Action  
Society for Prevention Research  
Society for Research in Child Development

## PRESENTATIONS

1991

- Bank, L. Y., Duncan, T. & Fisher, P. A. (1991, June). *A social interactional model of the development and prevention of antisocial behavior and conduct disorder*. Symposium presented at the meeting of the Community Research and Action Division of the American Psychological Association, Tempe, AZ.
- Fisher, P. A. (1991, April). *Predicting negative discipline in traditional families: A multi-dimensional stress model*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Fisher, P. A., & Fagot, B. I. (1991, April). *Inter-agent agreement on reports of child problem behavior*. Paper presented at the annual meeting of the Western Psychological Association, San Francisco, CA.
- Fisher, P. A., & Fagot, B. I. (1991, November). *Components of family stress in high-risk and normative samples: A factor analytic study*. Paper presented at the annual meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

1992

- Fisher, P. A., & Fagot, B. I. (1992, April). *Temperament, parental discipline, and child psychopathology: a social-interactional model*. Paper presented at the annual meeting of the Western Psychological Association, Portland, OR.

1993

- Fisher, P. A., & Eddy, J. M. (1993, April). *Increases in parents' self-disclosure of negative discipline: The role of questionnaire format*. Paper presented at the biennial meeting of the Society for Research in Child Development, New Orleans, LA.

1995

- Fisher, P. A. (1995, April). *Redefining the temperament–environment relationship: A cluster analytic study of temperament goodness of fit*. Paper presented at the biennial meeting of the Society for Research in Child Development, Indianapolis, IN.
- Fisher, P. A., & Eddy, J. M. (1995, April). *Convergence between parent discipline self-report and problem behavior in families: The role of parent discipline questionnaire format*. Paper presented at the biennial meeting of the Society for Research in Child Development, Indianapolis, IN.

1996

- Ball, T., Ball, A. & Fisher, P. A. (1996, June). *Community empowerment research: A model for work in Native American Communities*. Paper presented at the annual meeting of the Society for Prevention Research, Washington, DC.
- Fisher, P. A., & Chamberlain, P. (1996, May). *Treating troubled youth in community settings*. Paper presented at the annual Pacific Northwest Conference on Youth Violence, Seattle, WA.

1997

Fisher, P. A., Bacon, J. G., & Storck, M. (1997, April). *Applying community empowerment research principles: A study of the status of Native American and Caucasian adolescents*. Paper presented at the biennial meeting of the Society for Research in Child Development, Washington, DC.

1998

Fisher, P. A., & Chamberlain, P. (1998, June). *Early intervention treatment foster care: Results of a pilot evaluation of program designed to reduce risk in young children who have been maltreated*. Paper presented at the annual meeting of the Society for Prevention Research, Park City, UT.

1999

Fisher, P. A. (1999, June). *From the research institute to the community: Two preventive intervention studies for high risk preschoolers*. Paper presented at the annual meeting of the Society for Prevention Research, New Orleans, LA.

Fisher, P. A. (1999, December). *Therapeutic foster care as a model for intervention and prevention: Results from two studies involving very high-risk children and adolescents*. Paper presented at Prevention of Antisocial Behavior, Starting at Conception Congress, Brussels, Belgium.

2000

Ellis, B. H., & Fisher, P. A. (2000, April). *Foster care children and attachment, physiology, and coercive interactions: An integrative model*. Poster presented at the annual meeting of the Western Psychological Association, Portland, OR.

Fisher, P. A. (2000, March). *Specialized foster care for maltreated preschoolers: Impact on foster parenting, children's behavior, and cortisol activity*. Paper presented at the Annual Services Research Conference, Clearwater, FL.

Fisher, P. A. (2000, June). *Processes to increase community empowerment in Native American prevention research: Report of a year's activities in the development of a prevention trial*. Paper presented at the annual meeting of the Society for Prevention Research, Montreal, Canada.

Fisher, P. A., Spence, J., Ray, J., Blacketer, K., Ball, T., & Petersen, F. (2000, April). *Native American community empowerment research: The Indian Family Wellness Project*. Symposium presented at the annual meeting of the Western Psychological Association, Portland, OR.

Hong, N. N., Leve, L. D., & Fisher, P. A. (2000, April). *Parenting behaviors and children's depression and anxiety*. Poster presented at the annual meeting of the Western Psychological Association, Portland, OR.

Leve, C., Fisher, P. A., Leve, L. D., Ellis, B. H., & Fagot, B. I. (2000, April). *Children's peer relations in stepmother, stepfather, and biological two-parent families*. Poster presented at the annual meeting of the Western Psychological Association, Portland, OR.

2001

Dozier, M., Levine, S., Gordon, K., Manni, M., Gunnar, M., Fisher, P. A., & Stovall-McClough, K. C. (2001, April). *Atypical daytime patterns of cortisol production among young children who entered foster care in infancy*. Paper presented at biennial meeting of Society for Research in Child Development, Tampa, FL.

Fisher, P. A. (2001, April). *The next generation of prevention research: Balancing science and community in the design, implementation, and evaluation of prevention trials*. Invited colloquium at the University of Washington School of Social Work, Seattle, WA.

Fisher, P. A. (2001, April). *Physical Growth, cortisol, and neuropsychological functioning among maltreated preschoolers in the foster care system*. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Fisher, P. A. (2001, April). Treatment foster care for maltreated preschoolers: Preliminary results from a randomized trial. Paper presented at the biennial meeting of the Society for Research in Child Development, Minneapolis, MN.

Fisher, P. A. (2001, June). *Neurobiological functioning and behavior change among maltreated preschoolers in specialized foster care: Preliminary results from a randomized trial*. Paper presented at the biennial meeting of the International Society for Research on Child and Adolescent Psychopathology. Vancouver, BC, Canada.

Fisher, P. A. (2001, September). *Being the "other": Majority research issues and the search for new paradigms in prevention research*. Invited address at NIDA's Bridging Science and Culture to Improve Drug Abuse Research in Minority Communities Conference, Philadelphia, PA.

#### 2002

Fisher, P. A. (2002, April). *Investigating longitudinal trends in correlations between maltreated foster children's behavior and L-HPA axis activity*. Paper presented at the biennial conference of the International Society for Infant Studies. Toronto, Canada.

Fisher, P. A. (2002, September). *The beneficial effect of foster care on children with traumatic early life experience*. Paper presented at the Mind, Brain, Body Interactions in Early Adverse Experiences meeting. Sedona, AZ.

Fisher, P. A. (2002, September). *Early foster care intervention: Behavioral and neurobiological indicators of change*. Invited presentation at the National Institute on Drug Abuse, Washington, DC.

Fisher, P. A. (2002, December). *Early foster care intervention: Behavioral and neurobiological indicators of change*. Invited presentation at the New York University Child Study Center.

#### 2003

Fisher, P. A. (2003, June). Promises and challenges in translational research: Interventions for preschool-aged foster children as a case in point. In W. M. Compton & D. Shrutleff (Chairs), *Linking basic and applied research: Finding new solutions through multidisciplinary drug abuse research*. Symposium conducted at the 65th Annual Scientific Meeting of the College on Problems of Drug Dependence. Bal Harbour, FL.

Fisher, P. A. (2003, January). *Early Intervention Foster Care: Preliminary results from a randomized clinical trial*. Invited colloquium at the University of Minnesota Institute of Child Development, Minneapolis, MN.

Fisher, P. A. (2003, April). *Changes in Maltreated Foster Children's Attachment in the Context of a Therapeutic Intervention*. Paper presented at the biennial meeting of the Society for Research in Child Development. Tampa, FL.

Fisher, P. A. (2003, April). *Plasticity of diurnal HPA axis activity in maltreated children: Effects of a therapeutic intervention*. Paper presented at the biennial meeting of the Society for Research in Child Development. Tampa, FL.

Fisher, P. A. (2003, June). *Promises and challenges in translational research: Interventions for preschool-aged foster children as a case in point*. Paper presented at the annual meeting of the College for Problems on Drug Dependence. Miami, FL.

#### 2004

Bruce, J., & Fisher, P. A. (2004, May). *Training community members in community participatory research*. Presented at preconference workshop (Training of prevention scientists and practitioners across settings, cultures, and career levels) for the annual meeting of the Society for Prevention Research, Quebec City, Canada.

Fisher, P. A. (2004, May). *Training translational scientists*. Presented at preconference workshop (Training of prevention scientists and practitioners across settings, cultures, and career levels) for the annual meeting of the Society for Prevention Research, Quebec City, Canada.

- Fisher, P. A. (2004, June). *Balancing empiricism and local cultural knowledge in the design of prevention research: American Indian communities as a case in point*. Paper presented at the NIDA Minority Health Disparities Conference, Washington, DC.
- Fisher, P. A. (2004, July). *Interventions Programs for High-Risk Children*. Paper presented to the Foster Family Treatment Association, Nashville, TN.
- Fisher, P. A. (2004, August). *Important brain structures in dysregulation*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.
- Fisher, P. A. (2004, August). *Cultural adaptation of prevention and intervention programs*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.
- Fisher, P. A. (2004, August). *Interventions for high-risk children in foster care*. Invited address presented to the U.S. State Department, Guatemala City, Guatemala.
- Fisher, P. A. (2004, December). *Outcomes from the Early Intervention Foster Care randomized trial*. Invited address presented at Pennsylvania State University, State College, PA.
- Fisher, P. A. (2004, December). *Developmental, cognitive, and neuropsychological functioning in preschool-aged foster children: Associations with prior maltreatment and placement history*. Invited address presented at Pennsylvania State University, State College, PA.

#### 2005

- Chamberlain, P., & Fisher, P. A. (2005, March). *Multidimensional Treatment Foster Care (MTFC) family of programs*. London, England.
- Fisher, P. A. (2005, March). *Permanent placement outcomes for children in the Early Intervention Foster Care efficacy trial*. London, England.
- Fisher, P. A. (2005, April). *Translational research on underlying mechanisms of risk among young foster children: Implications for intervention development*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Fisher, P.A. (2005, March). *The Early Intervention Foster Care Program as a Model for Translational Research*. Invited presentation at the NIDA Multi-Problem Youth Meeting, Washington DC.
- Fisher, P. A. (2005, May). *Translational research on underlying mechanisms of risk among foster children: Implications for prevention science*. Invited plenary address presented at the annual meeting of the Society for Prevention Research, Washington, DC.
- Fisher, P.A. (2005, June). *Multidimensional Treatment Foster Care: Mechanisms of the model*. Invited presentation at the Youth Horizons National Conference on Early Intervention, Wellington, NZ.
- Fisher, P. A. (2005, June). *Planning a prevention program*. Invited presentation at the Youth Horizons National Conference on Early Intervention, Wellington, NZ.
- Fisher, P. A. (2005, September) *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Paper presented at the Rose Jenkins Conference, Sacramento, CA.
- Fisher, P. A. (2005, October). *Early intervention in the child welfare system: Programming and policy issues*. Paper presented at the Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.
- Fisher, P. A. (2005, October). *Multidimensional Treatment Foster Care with three populations: Teens with delinquency and mental health problems, children in "regular" foster care, and preschoolers*. Copenhagen, Denmark.
- Fisher, P. A., Bruce, J., & Pears, K. C. (2005, October). *Translational research in the child welfare system: Behavioral and neurobiological indicators of change in foster children*. Paper presented at the Children in Foster Care: Bidirectional Influences of Drug Abuse and Child Abuse and Neglect meeting, Bethesda, MD.

- Fisher, P. A., & Pears, K. C. (2005, May). *Plasticity and concordance of HPA axis activity and behavioral adjustment among foster preschoolers in the Early Intervention Foster Care program*. In E. Ginexi (Chair), *The developmental plasticity of neural systems: Implications for prevention science*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Gunnar, M. R., & Fisher, P. A. (2005, March). *Early adversity and the physiology of stress*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Leve, L. D. & Fisher, P. A. (2005). *Outcomes and evidence-based interventions for youth with child welfare system involvement*. Paper presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Liu, C. H.-J., & Fisher, P. A. (2005, April). *Emotion processes and cortisol regulation in foster care and community children*. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.

#### 2006

- Chamberlain, P., & Fisher, P. A. (2006, March). *The MTFC family of programs: Descriptions, evidence-based and implementation*. Session presented at the annual Blueprints Conference, Denver, CO.
- Fisher, P. A. (2006, December). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited presentation, Armagh, Ireland.
- Fisher, P. A. (2006, April). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at the Annie E. Casey meeting, Nashville, TN.
- Fisher, P. A. (2006, April). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented to Familjeforum, Lund, Sweden.
- Fisher, P. A. (2006, June). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at the Annie E. Casey meeting, Baltimore, MD.
- Fisher, P. A. (2006, July). *The Multidimensional Treatment Foster Care Program for Preschoolers (MTFC-P)*. Invited address presented at De Bascule, Amsterdam, Netherlands.
- Fisher, P. A., & Bruce, J. (2006, May). *A neural regulatory systems model for high-risk children: Implications for prevention science*. Paper presented at the annual meeting of the Society for Prevention Research, San Antonio, TX.
- Fisher, P. A., Bruce, J., Martin, J., & Fox, N. (2006, May). *Foster children's behavioral and physiological performance on an executive functioning task*. Preconference presentation at the annual meeting of the Society for Prevention Research, San Antonio, TX.
- Fisher, P. A., Gunnar, M., Dozier, M., Bruce, J., & Pears, K. C. (2006, February). *Effects of a therapeutic intervention for foster children on behavior problems, caregiver attachment, and stress regulatory neural systems*. Paper presented at the New York Academy of Sciences Resilience in Children conference. Arlington, VA.
- Leve, L. D., Chamberlain, P., & Fisher, P. A. (2006, July). *Improving child outcomes with Multidimensional Treatment Foster Care*. Poster presented at the International Adoption Research Conference, Norwich, UK.
